
GREAT GORGE
GOLF CLUB
2027
GROUP
OUTINGS

PLAY ONE OF THE REGION'S MOST *Legendary Courses*

Great Gorge Golf Club is situated on 500 acres of naturally preserved land, nestled in the Vernon Valley between the Wawayanda and Pochuck Mountain Peaks.

Designed by George Fazio in 1970 on behalf of Hugh Hefner for his Great Gorge Playboy Club, the course boasts 3 championship nines: Rail, Lake and Quarry. With three tee box options, the course is manageable for newer golfers yet challenging for lower handicap players, making Great Gorge an ideal venue for outings of all kinds ranging from 20-180 golfers.

"First ever time playing this course and I was absolutely blown away with the scenery and course condition.

Fairways were in great shape along with the greens. The views were incredible and I will definitely be coming back."

"Always a pleasure playing one of the 9 holes. I been playing at Gorge since mid 90's and must say the past few years the course has been in fantastic shape. Best part is Gorge always supports the youths, Military & all 1st Responders, many I know go there for that reason. Keep up the great work."

"Absolutely incredible course that has 3 different 9 hole tracks. The staff and management do an amazing job to keep the course in great shape and help accommodate golfers. 10/10 recommend!"
