COURSES: Each week, we will choose a new course and notify the league by email every Sunday.

RESULTS: We will post-match results, point totals, closest to the pins, and playing opponents via email every Sunday.

POINT SYSTEM: Dan Kondel will operate the point system. Contact David if you have any further questions.

MATCHES: Players are expected to work together and book their tee times online. If players do not find a time to play their match, they will forfeit their points for that week.

All matches must be completed in 3 hours.

Matches must be completed by 5pm each Sunday.

DISPUTES: We expect players to work out any dispute amongst themselves. If not concluded, please contact Dan Kondel.
